White Rock, B.C., Thursday, April 23

\$2.50 per Year - Copy 7c

No new fire truck for city this year

White Rock will not purchase a new fire truck this year, Ald. Irwin announced today. Upon learning that the city had been allocated \$17,000 for a new piece of equipment, expecting also to receive the \$5,000 grant to allow for the purchase of a \$22,000 truck.

DAYLIGHT SAVING

Don't forget to put your clocks and watches one hour ahead Saturday at midnight. Daylight saving time again goes into effect for the summer months on the Pacific Coast, giving that extra hour of sunshine.

No one was injured when this Great Northern engine was derailed near Ocean Park early Monday after running into a mud and rock slide. The freight diesel left the tracks and came to rest within a few feet of the water. Breaks Brothers of White Rock cleared the slide which was estimated to be about 40 feet long. Heavy machinery was dispatched to the scene and Monday evening's rains were running on schedule.

Sanitary fill scheme outlined; begins June 1

Sanitary fill land reclamation will start in White Rock by June 1, Ald. John Hynds, chairman of the land and reclamation committee, has announced. Ald. Hynds says he wishes to inform White Rock residents that this land reclamation project will be carried out in a proper sanitary manner so there will be no cause for complaint.

A machine has been purchased for the scheme and Ald. Hynds feels this system of garbage disposal will result in a saving to the city over a two or three year period.

At present White Rock garbage is taken to the incinerator at Delta which means two trips a day and 40 miles in travelling. A half-ton pickup truck is also used once a week for cans and bottle disposal in the city.

Ald. Hynds states that although he doesn't expect the sanitary fill method to save money during the first year of operation, he is certain that the value of the land that is reclaimed will result in a definite saving to White Rock eventually. He stresses a reduction in cost from the second year on as the present method now costs \$20,500 annually.

"There will be no offensive odours or garbage left lying around uncovered," the alderman said.

"The machine will dig a trench, push every type of garbage inside until it is compact and then cover the area with a thin layer of dirt. Two feet of earth fill will be put on top of the land when the reclamation is about to be completed."

At least four land areas in the Ruth Johnson and Mann Parks will also be reclaimed, Ald. Hynds said.

The garbage will be taken to the area being reclaimed at a particular time of day and the machine will start the filling in process immediately the truck is dumped. Items that are too large to put in the trench will be broken up.

Labor needed now for Superfluity Shop work

An appeal for labor to help complete the new Superfluity Shop, being constructed on Vidal Street by the Ladies Auxiliary to White Rock District Hospital has been made by Lynn K. Sully, chairman of the Board of Trustees.

Mr. Sully reports that anyone from high school students to retired men can lend a hand in helping to finish this building. Those willing to help may report to Mr. Sully at his office on Washington Avenue or see Gordon Stewart, superintendent of the project, at the building's site.

Mr. Stewart says he will need all the volunteer labor possible today, Friday and Saturday as work is now ready to commence on the walls of the building. He reports several bricklayers will

Teenagers should obtain Road E-O applications

A meeting of all those teenagers interested in obtaining application forms for the Jaycee-sponsored safe driving Road-e-o will be held this afternoon at Semiahmoo High School.

John Atkinson, president of White Rock Junior Chamber of Commerce will be on hand at 3:30 p.m. in Room 31 to go over rules and regulations for the teenagers participating.

Ron Steven, chairman of the Road-e-o committee, reports a fair number of applications have already been received and trophies that will be presented have been on display at Duckworth's.

The Road-e-o will be held on Sunday, May 3, at the Safety parking lot on Johnston Road. Anyone wishing to obtain application forms is asked to contact John Atkinson.

Three thousand teenagers from all parts of British Columbia and the Yukon are expected to take part in the 1959 edition of the Teenage Safe Driving Road-e-o.

Winners from each local competition will meet in Vancouver June 6 to determine the best teenage driver in western Canada. The winner receives \$100 in cash, the Esso Trophy and an all expense paid trip to

39 Streets Involved

An extensive road paving program costing \$95,000 will be carried out in White Rock this year, Mayor William Hodgson told a special public meeting of the local Board of Trade Thursday at the Silver Moon.

This program, which will include 39 streets and portions of streets in the city, will be financed by \$55,000 from general revenue and \$40,000 which will be borrowed from the arbitration fund.

Seven miles of flush coating and 7 1/2 miles of hard surfacing will also be part of the road improvement scheme. "This will mean a terrific saving in maintenance. All the streets that have been bone of contention for years will be improved first. We feel people living on these roads deserve the priority," the Mayor told the meeting.

Mayor Hodgson announced the city also plans to continue its road program in 1960. In discussing the progress made by White Rock since incorporation, the Mayor said this area showed a loss in sewers and general revenue in 1957. By 1958 a surplus had been attained in both these accounts.

A deficit of \$13,000 in 1957 was made up in 1958 when a surplus of \$14,000 was recorded. This year's surplus should be about \$4,000, the Mayor said.

All equipment in the city is now paid for and the general revenue fund showed a surplus of \$30,000 in 1958. The Mayor explained the construction and cost of White Rock's recently-completed Centennial Health Centre. The City Hall will save a rental of 3,000 if it remains in the centre for 25 years, he added.

Budget for this year allows \$139,000 for schools; \$200,000 for general revenue; \$44,000 for other revenues and provincial government grants totalling \$121,000 for a total of \$516,000.

Some \$10,000 has been budgeted for lights, \$9,000 for health, \$55,000 for welfare and \$3,500 for the library. Administration costs less than six percent of the total intake or \$40,000 annually, regardless of people thinking the city is overstaffed, the Mayor pointed out.

Public works budget excluding garbage disposal is \$60,000. "We feel we came through (See ROAD PAVING, Page 12)

Council support asked on new water rate bid

Support of city council has been sought by two White Rock organizations in their bid to have the Public Utilities Commission consider a new water rate.

J. McDuffy, spokesman for White Rock Ratepayers Association and Harry Merkley, president of the Old Age Pensioners Association, asked council on Tuesday to urge the PUC to examine the proposed rate.

Both spokesmen said their organizations favored the Waterworks Company charging consumers for the amount used rather than determining the rate on a given 1000 cubic foot basis.

McDuffy told council this method would reduce water wastage. He said that if senior residents were charged \$3 for 1000 cubic feet of water, they would use this amount regardless of whether they needed this quantity.

On the other hand, if the Water Works Company would charge them on the basis of 500 cubic feet, which his organization feels is an ample supply for a household of two retired people, then they would use the water wisely, and in turn relieve the company of annual threatened water shortages.

His organization is requesting the company to consider a charge of \$1.50 for a basis 500 cubic feet of water per household with additional charges

CARWASH NETS \$53

First White Rock Scout Troop and B Cub Pack raised \$53 at their car wash staged Saturday at the Super-Valu lot on Johnston Road.

Extensive road paving program to cost \$95,000

erve the priority," the Mayor told the meeting.

Mayor Hodgson announced the city also plans to continue its road program in 1960. In discussing the progress made by White Rock since incorporation, the Mayor said this area showed a loss in sewers and general revenue in 1957. By 1958 a surplus had been attained in both these accounts.

A deficit of \$13,000 in 1957 was made up in 1958 when a surplus of \$14,000 was recorded. This year's surplus should be about \$4,000, the Mayor said.

All equipment in the city is now paid for and the general revenue fund showed a surplus of \$30,000 in 1958. The Mayor explained the construction and cost of White Rock's recently-completed Centennial Health Centre. The City Hall will save a rental of 3,000 if it remains in the centre for 25 years, he added.

Budget for this year allows \$139,000 for schools; \$200,000 for general revenue; \$44,000 for other revenues and provincial government grants totalling \$121,000 for a total of \$516,000.

Some \$10,000 has been budgeted for lights, \$9,000 for health, \$55,000 for welfare and \$3,500 for the library. Administration costs less than six percent of the total intake or \$40,000 annually, regardless of people thinking the city is overstaffed, the Mayor pointed out.

Public works budget excluding garbage disposal is \$60,000. "We feel we came through (See ROAD PAVING, Page 12)

Players get \$200 from Potts show

White Rock Players Club building fund was helped to the tune of \$200 from the proceeds of the benefit concert staged by Barney Potts and his troupe in the Silver Moon Hall, Friday evening, April 17.

Total receipts for the new Hilltop theatre now total \$14,000 with just over \$10,000 more required to complete the transaction and necessary renovations to the building.

The Players may occupy the new premises at the end of June and are hoping that by that time the completed sum will be realized.

Members are now selling raffle tickets on a clock radio, 24 inch bride doll and a mystery prize. Tickets may be obtained from any club member.

The Players will motor to Vernon over the coming weekend where they have been invited to present their 3 act winner of the B.C. Regional Festival, "Dark of the Moon."

They will be guests of the Vernon Drama Group on the last night of their regional festival covering a number of interior points.

The Players will also take their play to Abbotsford on May 8.

Fashion to the fore this Friday

A sell-out of tickets is forecast by Mrs. L. Sully, general convener of the annual fashion show sponsored by the Women's Association of the United Church. She states "very few tickets are still available."

Fashions are from the Jean McAdam Dress Shop and hats and bags shown are by Irmenard's. Adding their assistance also will be hair styling by Georgina Gay and make-up by Beauty Counsellor.

The dancers taking part will be from Madame Hillard's Ballet School. The decorations of a Hawaiian theme will be in the capable hands of Mrs. Jack Todd.

Munro represents city at CPCA meeting

White Rock postmaster Don Munro represented this city at a special meeting last week at Langley to discuss formation of a Fraser Valley Branch of the Community Planning Association of Canada.

Those attending the meeting included Ald. J. H. Conder, of Langley; E. W. Hueskin, Delta councillor; E. E. Chace, city clerk of Mission; W. E. Langdon-Davies, commissioner, Abbotsford; Bryan Thompson, vice-principal, Abbotsford Junior High School; H. Glen Minter, Chilliwack City Clerk; Nigel J. Richardson and Peter McGovern, Lower Mainland Regional Planning Board; T. McDonald, secretary-treasurer, B.C. Division, Community Planning Association of Canada.

It was agreed at this meeting that such a branch of CPAC could do much to inform the people of the Valley regarding the need to support planning measures throughout the area, their particulars can be obtained by further meeting will be held by contacting T. McDonald, held on Wednesday, May 20, at 1205-730 Granville Street, Vancouver 2.

Bride and Mother Tea

Mr. C. Johnson of Crescent Beach and her daughter,
Mrs. guests of honor April 18 at a bride and mother
given at the home of Dr. and Mrs. Alfred G. Need-
le Biological Station, Departure Bay, Vancouver
the bride-to-be and her mother received a lovely
gardenias from Dr. and Mrs. Needler. They also vis-
ited of Mr. and Mrs. J. Berkeley, Wellington, which
of its rare and exotic trees, bushes and plants, espe-
cially from the Himalayas, India and Japan.

delene Wiginton, ex-
ecutary of the Van-
association for Reland-
en, spent a holiday
friend, Mrs. Leola
was the founder of
southern Association and
executive director.

Lee Montgomery, who
has been visiting her mother,
Mrs. E. Herrey, Ocean Park,
returned Sunday to her home
in Denver, Colorado.

Visiting at the home of Mrs.
D. C. Philip, Marine Drive, are
her mother, Mrs. H. Neuford
and brother, Henry, from Win-
nipeg, Manitoba. Her sister,
Mrs. Fay Marsh of Redondo
Beach, California, was also a
guest. All came to attend the
funeral of Mr. D. C. Philip.

Visiting Mrs. E. Brown, Stevens
Street, this week was
former White Rock resident,
Mrs. Kowula of Trail, Mrs.
Kowula owned the Delvick
Grocery on Campbell River Rd.
prior to moving to Trail some
years ago. She planned on vis-
iting friends in Vancouver be-
fore returning home.

Mr. and Mrs. J. Sussbauer left
Monday for a two week vaca-
tion at Calgary where they will
attend the graduation of their
daughter, Inge, at the Baptist
Leadership Training School.
They will also visit Edmonton,
their old "home town."

Mr. William Beeton and Mrs.
E. Moyes of Alameda, Sask.,
spent the past four months vis-
iting their brother in law and sister
Mr. and Mrs. Northeast of Lee
Street. While here they vis-
ited with other relatives in
White Rock, South Burnaby,
North Vancouver and Hope.
They were also guests of Mr.
and Mrs. Fred Beeton of Court-

ney and enjoyed a trip to Vic-
toria.

Mrs. Andrew Westland, Bound-
ary Lane Road, received the
happy news April 15 of the
birth of her second granddaugh-
ter, Susan Eileen, born to her
son and his wife, Mrs. and
Andrew Kyle Westland at the
Walden Hospital in Seattle.
The new baby weighed eight
pounds and is a sister to Nancy
Louise. The Westland family
are now making their home at
Bellingham, where Mr. West-
land is in the social security
department of the U.S. Govern-
ment.

A very successful tea was
held at the home of Mrs. G.
Roberts, 1466 State Road on
April 15 when the State Road
Hospital Group had their Pen-
ny Parade on display. The door
prize was won by Mrs. R. Mar-
shall of 1459 - 161 Street.

Mrs. M. A. Wright of 15369
Victoria, who celebrates her
90th birthday in July, was vis-
ited by all but one of her fam-
ily on Sunday. Her son Mr.
Wright came from Sault
Ste. Marie and her three daugh-
ters, Mrs. Lucy Rhodes of Mis-
sion; Mrs. W. Meauch of Lang-
ley and Mrs. W. Reynolds of
McBeth Road, White Rock.
Another son in Hammond was
unable to come.

Mrs. M. L. Dryden of Crescent
Drive, Crescent Beach, enter-
tained at a dinner party at her
home in honor of Mr. and Mrs.
J. J. Hutton of Wheatley Ave.,
White Rock, who left Vancou-
ver by TCA on Friday, April 17
for a five month trip to the
old country. Mr. and Mrs. A.
E. Southey of New Westminster
and Mr. and Mrs. Elmo Ebinger
of Ferndale, Washington, were
out of town guests for the oc-
casion.

Home from Shaughnessy
Cecil Berry, local Scout
worker marks birthday

Home from Shaughnessy Mil-
itary Hospital in time to cele-
brate his 73rd birthday, May
1, is popular Cecil Berry, for-
mer secretary of the White
Rock Swimming Club.

Mr. Berry has been hospitali-
zed for the past few weeks with
a chest condition from which
he has suffered severely over
the years.

Commenting on his unexpect-
ed hospital release, Berry said
"I feel certain I will get bet-
ter much faster here with
White Rock's warm sun and
salty breezes, than I ever
would have shut up in hospital."

Mr. Berry endeared himself
to hundreds of this city's
youngsters who looked to him
as registrar, secretary, treas-
urer, operator of lost and found
department, first aid man and
consoler of lost children along
the White Rock shoreline for
many years.

Boy Scouts and Cubs over
the years also owe much of their
success in organization to this
gentleman, who, although hav-
ing no family of his own, has
spent himself for the youth of
the community.

He served as secretary for
the South Surrey District Boy
Scout Association for many
years and also as secretary of
the PTA. He is a life member

SILVER CROSS TEA

The annual Silver Cross
Mothers' Tea sponsored by the
Legion Ladies' Auxiliary,
Branch No. 8, will be held on
Wednesday, May 13. Members
urge all Silver Cross mothers
to contact Mrs. M. McElhinney,
Wl. 8-6188 or president, Mrs.
Del Goodman at Wl. 8-6721 so
they may be included in the
honored guests.

One layette sent

to Cloverdale VON

Mrs. Neville Smith told the
VON auxiliary meeting held at
the home of Mrs. P. Waterman
Thursday that one complete
baby layette had been sent to
the Cloverdale loan cupboard.

She reported a second layette
is now being completed. Any-
one wishing to donate is asked
to call Mrs. Neville Smith at
Wl. 8-5981.

A rummage sale will be held
on Saturday, April 25 from
9:30 a.m. to 1:30 a.m. at the
White Rock Hotel.

New dance wins Solo

Interpretive crown

A new dramatic dance,
choreographed by Betty Car-
lette of Cloverdale, won the
Solo Interpretive Dancing
Championship for Diana Wil-
liams of White Rock at the
Constitution District Musical
Festival held at Port Coquitlam.

Diana also won the National
Dancing Championship. She
captured the C. S. Davies tro-
phy again this year with 95
marks and also the Lion's Club
Trophy, also with 90 marks.

How is Your Scalp and Hair Condition?

AIMI'S SCALP OINTMENT is a new effective treatment
to relieve Dandruff - Scalp itching and falling hair, cor-
rects scalp condition, and gives greater health and longer
life to the hair you still have.

Use AIMI'S SCALP OINTMENT at home and you will soon
notice the remarkable improvement in your scalp con-
dition, and the continued improvement in the appearance
of your hair.

Ask your druggist for a jar of AIMI'S SCALP OINTMENT,
it costs only \$1.95 - approximately 30 treatments - Try
it and be convinced.

Hawaiian Theme for Fashion Show

WHITE ROCK SUN

THURSDAY, APRIL 23, 1959

All fabrics are right for spring

Come to our fashion show to see the gaily patterned fabrics, so right for spring. They appear in a profusion of textures and silhouettes. Whether you're dressing for playtime or dining out, these fashions will meet your needs for almost every occasion.

A satisfying aspect of the new trend is a continuance of the dress and jacket as a hard-working fashion team. Various jacket styles and lengths—ranging from brief, boxy versions through hip-bone, loose three quarter and full length coats—provide up to dateness.

Some of the shorter jackets are cutaway in front to reveal high-rising belts, crushed sashes and cummerbunds, while others use bows and buttons to provide feminine detail. Almost all jackets feature sizable collars in keeping with this year's wide-shoulder line.

In our fashion parade you'll see many secret alliances—jackets that look at first glance like dress bodices but which peel off to reveal frocks suitable for a 'don't dress' evening, or two or three dresses teamed to one jacket or coat for a perfect travel ensemble. Here the same print of the dresses, which can have a slim or full skirt depending on the fabric, often lines the jacket.

Bernie Lewis of White Rock Cleaners has offered to transport free all the outfits which will be used in the Fashion Show.

TWO OF THE many lovely models who will take part in the United Church Fashion Show Friday are Dorothy Tagmeyer (right) and Lynda Douglas, both students at Semiahmoo High School. A Hawaiian theme will highlight this year's show which will be held in the basement of the church.

—Garner Studio

Tulips will be tossed to guests at fashion show

Tulips from the Gladahlia Gardens operated by Mr. and Mrs. J. H. Holmes, 17016 Campbell River Road, will be tossed to the patrons attending the Hawaiian Fashion Show sponsored by the W.A. of the First United Church, White Rock. The show is slated for Friday evening, April 24 at 8 p.m. in the church hall.

Multi-colored tulips grown by Mr. and Mrs. Holmes, will be tossed to the guests during the dance routine, "Hawaiian Fantasy" to be presented by the dancing pupils of Madame Hilliard, well known White Rock teacher.

Adding an authentic touch to the South Sea Isle theme will be featuring of colorful leis flown directly from Honolulu.

In time for the show, Mrs. L. K. Sully, general convener reports all is in readiness for the biggest and most interesting fashion show ever staged by the Auxiliary. Mrs. Edwin Chowen will serve as commentator. Fashions are from Jean McAdam with hats from Irmengard's.

Adult models will include Miss Doreen Ahlstrom, Mrs. Arlene Christenson, Mrs. Carl Anderson, Mrs. George Johansson, Mrs. William Cooper, Mrs. L. K. Sully and Mrs. Bert Mansfield.

Some personalities behind Church Annual Fashion Show Friday

MRS. JEAN McADAM

"The show must go on" says Mrs. Jean McAdam from her hospital bed. The fashion show sponsored by the Jean McAdam Dress Shop will go ahead as scheduled, even though Jean herself is still recuperating in hospital.

Jean had all her latest fashions ordered weeks ago and they are waiting in her shop for the models to wear on Friday, April 24 in the annual show.

MRS. EDWIN CHOWEN

Mrs. Edwin Chowen, who with her husband and son, is a newcomer to White Rock. They come to us by way of Victoria.

Since moving to Semiahmoo Avenue last fall, she has taken an active interest in the United Church, hospital, bowling and handicraft work. She has frequently modelled in fashion displays, but this will be her first attempt at commenting when she will act as commentator for the United Church Fashion Show.

MADAME HILLIARD

Madame Riette Hilliard, whose pupils will be giving Hawaiian dance numbers at the Fashion Show, comes to us from the United States.

Madame Hilliard was Premier Danseuse with the Chicago, Los Angeles, San Francisco and San Carlos Opera Companies. She has done character dance solo work under contract at the Metro-Goldwyn Mayer, Warner Bros. and Universal Motion Pictures in Hollywood. She also has been the featured dancer in theatres and night clubs across the U.S. and Canada.

Madame Hilliard's extensive professional background enables her to include in her classes professional stage deportment and theatrical choreography.

What are the best buys for spring and summer

What is a best buy? It is that which gives you the best style and best quality in the price you pay. In terms of clothes, it may be classic or high style, but it is a fashion with a future. It is becoming. It is right for the places you go and the things you do.

A dull dress, an unbecoming or inappropriate dress is never a best buy no matter how little it costs because it does nothing for the wearer and usually spends most of its life in the closet—unworn and unloved. In choosing these best buys, Mrs. Jean McAdam has chosen for her fashion show, the ones that are representative of the best style and best quality in a wide price range. Further selection is up to you, for fashion is, in the final analysis, a personal affair—only you can tell what is best for you.

Look at all the clothes critically. First, as a guide to this spring's fashion picture. There are no chemises or trap-ezes. There is a return to fit. Suit jackets are short, waistlines raised or normal, often widely belted. Then look in terms of your individual requirements; your figure, budget, and wardrobe needs.

'Miss Nightingale' completes training

First "Miss Nightingale" to complete her nurse's training will be Miss Carol Miller, daughter of Mr. and Mrs. R. C. Miller 15718 20th Ave., White Rock, who along with her classmates will participate in the Vancouver General Hospital's graduation exercises to be held at the UBC Armoury on May 12.

Carol was chosen Miss Nightingale in 1956 when she participated in the contest for the Miss White Rock title. She was presented with a \$100 bursary from the Ladies' Auxiliary of the White Rock District Hospital upon her graduation from Semiahmoo High School.

Actually Carol does not complete her nurse's course until September 16, but as is the custom the official ceremonies are held in May. Carol plans to continue her nursing career at the Vancouver General.

Bill Martyn promoted to rank of Corporal

LAC William (Bill) Martyn, a former student of Semiahmoo High School who joined the RCAF in December, 1954, has been promoted to Corporal as of April 1.

He is a radar and electronics technician stationed at Gandar, Newfoundland.

Corporal Martyn was married in June last year and is now the proud father of a son born on April 4. His parents reside on Stayte Road.

GARY COOPER in the Court Martial that rocked the world

Parents' night at Little Theatre

by Sylvia Walton

The White Rock Little Theatre was a place of frolic and fun for little people one evening last week, and by the volume of applause, the big people in the audience enjoyed it just as much!

It was a presentation by the pupils of The White Rock School of Dramatic Art. Mde Laura Lukyn, who is the principal, is to be congratulated.

These young people have not been overtrained, neither are they merely "cute" and precocious. They give the impression of having "found" themselves, and in the utter joy of self expression, to have forgotten how to be shy or self-conscious. Their delight was infectious! What stage presence, what prodigious feats of memory, and what enthusiasm!

Each number presented was well and conscientiously done, well and conscientiously done, student was doing his or her very best, and that the rehearsals had been the best of fun! The mime numbers deserve special praise, especially the piece in which a small boy just couldn't appreciate the latest fashion in dresses - the sophisticated world in which his "mother" and the saleslady moved were entirely outside his ken. A personality in own right is Mimi Hurd, who moves with grace and sweetness in any role she fills.

In Mde. Lukyn's words, these children, due to their own enthusiasm, are now past the experimental stage, their work is now a serious and conscientious study as a background to the magic and rewarding world of live Theatre Art. It was truly a delightful evening, and many thanks are due to Mrs. Johns and Mde. Lukyn, as well as to the children.

Mr. Franklin Johnson, by whose kind permission the Little Theatre was used, was presented with a cheque for the sum of \$20, a gift from the children to swell the fund for the Players' new home.

Girl Guide cookies taste good! When a Brownie or Girl Guide comes to your door you will know they are worth the price. When you buy you help more C. girls learn to be good citizens.

Sunnyside PTA hears Doyle

Mr. Larry Doyle of the Boundary Society for Retarded Children was guest speaker at the last meeting of the Sunnyside PTA.

He told of the marked advance of this endeavor in the past decade. Beacon School in New Westminster was the original one in B.C. and now there are schools at Langley, Delta, Whalley and White Rock.

These schools were made possible through the PTA Council are supported partially by the provincial government. Mr. Doyle enlisted the wholehearted support of the PTA in this work.

The treat this year for the School Patrol is to be a roller skating party at Langley on April 24. The PTA is contributing \$10 toward this.

The PTA who are sponsoring the Gratch Variety Concert which will be held at Elgin Hall May 1 will also provide candy for the candy sale that night.

Hostesses at the lunch following the meeting were Mesdames Morin, Colibaba, Juda, Samptiero.

Socred group formed at Crescent Beach

An organizational meeting of Social Credit was held on April 15 at the home of Mrs. A. Smith on the waterfront when a group was formed at Crescent Beach.

Mr. Tom Irwin was the speaker and gave a very interesting talk on the aims and principles of Social Credit.

Dainty refreshments were served at the close of the meeting by the hostess. The group are arranging a meeting for May 11, at which time the constituency president will speak.

Spring tea results in cooking sale

Members and friends of the Semiahmoo group of the Social Credit W.A. held a successful spring tea when refreshments donated were so plentiful a home cooking sale was organized to utilize them.

The necessity of preparing for the coming Country Fair to be staged in early June by the Auxiliaries of the Delta constituency and to be held in the garden of Mrs. Tom Irwin, Terry Road, was pointed out to members and friends of the group.

Fair share of road work

Reeve Robert Nesbitt was guest speaker at the Sunnyside Community and Ratepayers Association meeting on April 17. He said that this area was getting its fair share of road improvements. The members, especially those with little children who walk to school on Sunnyside Road, were very glad to hear him say that Sunnyside Road would be widened where necessary, also that it would be resurfaced if enough money was available.

He revealed that Oliver Road would be opened west to Nichol and that graveling of the Oliver and Stokes would be done under maintenance if necessary.

The speed limit on Sunnyside Road is to be reconsidered by the Traffic Committee and the RCMP.

V. G. Johnson reported for the parks said that much work had been done at the local park and a letter of thanks is to be sent to the Parks Board.

Christening service for Danny Michael

The one-year-old son of Mr. and Mrs. Fred Phillips was christened Danny Michael at an impressive Christening service in the White Rock United Church Sunday morning, April 12.

Present at the ceremony was the infant's great aunt, Mrs. Fred C. Newman as well as his uncle and aunt, Mr. and Mrs. Jack Newman of Springhill, Nova Scotia. Also on hand were Mr. and Mrs. Paul Armstrong, long time friends of the family. Rev. A. R. Laing officiated and children's hymns were rendered by the Junior Choir.

Following the ceremony a luncheon was held at the honoree's grandparents' home, Mr. and Mrs. Alf Whittle, 15196 Pacific Ave., where Mrs. Bud Daly of Marine Drive, Mrs. Carl Newman and Mr. and Mrs. Jack Newman joined in the family luncheon.

City aggregate honors high; Newton wins meet

White Rock Track Club members took several individual honors but failed to defeat Newton Kinsmen in the first dual meet of the season held last weekend at Newton.

Newton racked up a total of 96 points compared to 58 markers scored by White Rock. Both clubs are sponsored by the Kinsmen organizations in their areas.

Mel Olson is coaching the White Rock girls and Ed Carlson is instructing the boys.

Marion Plunkett, former manager of the White Rock Club, is acting as girls' coach at Newton this season.

White Rock athletes will compete in the high school section of the Vancouver Relays to be held at UBC Stadium on May 1 and 2. This eleventh annual event is sponsored by Vancouver Olympic Club.

The local club has a present membership of 13 girls and seven boys.

Marlene Piper of White Rock was junior aggregate winner with a total of 23 points at the Newton meet and Sharon Colby, also of the local club, placed

second in the individual scoring bracket of senior competition with 18 points. Carol Pfeil of Newton was first with 27.

Marlene's victories included first in the 60 yard dash with a time of 7.8 seconds; first in the broadjump with 14.4; first in the shot put with 27.3; second in the 100 yards with 12.6 seconds and first in the junior discus with a throw of 96.1. Marlene holds the Canadian title for the junior discus.

Sharon Colby placed first in the broadjump with 13.10 feet; first in the shotput with 32.2 feet (high school record is 31.8) second in the 60 yards with 8.1 seconds; second in the discus with 78.4 feet, and third in the high jump with 4 1/2 feet.

Surrey pioneer dead at 79

Mrs. Fanny Harrington, a resident of Surrey for the past 45 years, passed away suddenly April 17 while working in her garden at 16189 North Bluff Road.

Mrs. Harrington, who was 79, was married in the old Surrey Centre Church 46 years ago and took up residence within "horse and buggy" distance of White Rock.

She became a familiar sight in White Rock, bringing farm fresh produce and delicious home baking to her customers every week by horse and buggy. She would also make weekly calls to the New Westminster Farmers Market.

Mrs. Harrington's husband, Richard, died three years ago at the age of 76. It was at this time she flew to England to visit with brothers and sisters for 20 months. She returned by plane to take up residence on North Bluff Road.

Funeral was held Wednesday from Chapel Hill Parlour with burial at Hazelmere Cemetery.

Tea, hobby display held by O.P. group

A tea and hobby display was held by The Ladies Relief Society of the Latter Day Saints in the Ocean Park Hall on Friday afternoon, April 17.

Mrs. E. Chadwick of Ocean Park had a large and beautiful display of her hobbies. The display was most interesting, showing scrap books for children - an Indian scrap book of true Natives of North America and among them a scrap book made by her grandmother in 1894.

The collection of buttons included one over 100 years old. Mrs. Chadwick said there was a history behind the beautiful work displayed, and the beautiful salt and pepper shakers were from all parts of the world.

In charge of the antiques was Mrs. Shields.

Convening the home cooking, needlework and plant sales were Mrs. Ada Smith, Mrs. Mary Hoyrup, kitchen, Mrs. N. Sartain, Mrs. E. Eckland.

Two missionaries were present: Elder V. Pearson from Idaho and Elder D. Robinson from Utah. The tea tables were centred with beautiful spring flowers.

Socred W.A. to meet again in August

Ocean Park Social Credit W.A. held their regular monthly meeting at the home of the president, Mrs. O. Scott, on Stevenson Road. There was a good attendance and much interest in the topics under discussion.

The group decided to discontinue the summer meetings. Next meeting will be held on August 6 when final arrangements will be made for a garden party. Tentative date for this party is August 22. Plans call for speakers and a sale of home cooking.

CARD PARTY

The WA to the Canadian Legion, Branch No. 8, will sponsor a St. George's Card Party in the Legion Hall on Wednesday afternoon, April 29 at 2 p.m. Mrs. A. Dempster is convener. Refreshments and a door prize will be featured.

Sunnyside

It was a gay afternoon for the nine little guests of Joy Holmes on April 22 as they helped her celebrate her eighth birthday. There were games and contests and refreshments including a gaily decorated cake at the home of Mr. and Mrs. O. Holmes of Stokes Road.

The Sunniettes of Sunnyside United Church had a social evening at the church on April 17 when they staged a local talent show. The numbers presented included musical selections, both vocal and instrumental, as well as folk dancing. Coffee and doughnuts were served at the close of a very entertaining evening. There was also a candy sale.

Card of Thanks

It is with the sincerest grati-
tude that we express to our
many friends our appreciation
of their kindly expressions of
esteem in the floral tokens and
words of sympathy which came
to us in our bereavement in the
loss of a beloved wife and
mother. These tangible expres-
sions of sympathy have helped
to lighten our burden of sor-
row. Special thanks to the doc-
tors and nurses of Royal Col-
umbian and White Rock Hos-
pital and to Rev. Pitt Griffiths
for his consoling words.
Jim W. Aitken and family.

We wish to express our sincere
thanks to our friends and
neighbors for their many offers
of help and beautiful floral of-
ferings in our deep sorrow.
Mrs. D. S. Philip and family.

Park clearing okayed; no ball field this year

City council will authorize its public works department to clear a 200 foot square at the north end of Ruth Johnson Park despite the fact the land will not be used for sports activity this summer.

Ald. John Hynds, chairman of the parks committee, who had been advised to look into the feasibility of creating a small ball park on the site in readiness for this summer, reported Tuesday that a 200 foot square site could be developed, but he felt it would be of little use for this summer's activities.

He contended, however, that this particular site should be developed in order that a fuller comprehension of the park's possibilities and potential could be enjoyed. He felt strongly that this could not be fully appreciated while the area remained dense with underbrush.

Ald. Jessie Lee and Alex Mitchell, although agreeing with Mr. Hynds that a cleared site should probably be beneficial should be carried out, thought that such a clearing of the land reclamation is expected to be instituted, rather than to clear an area some 400 feet away from the proposed land reclamation operations.

Ald. Hynds replied that his suggestion of clearing in the area which would ultimately be

Citizens won't join with OAPO

Some 30 members were on hand for the regular monthly meeting of White Rock's Senior Citizen's Organization held on Tuesday afternoon at the Anglican Church hall. Mr. V. W. Plant, president, chaired the meeting.

Members decided by a majority vote to retain their own identity and not amalgamate with the OAPO as has been suggested by some sources.

A plant sale was enjoyed followed by films by Mr. Lily and the film "Rails to Romance" through the courtesy of the B.C. Electric, depicting the story of the P.G.E.

President Plant left Wednesday on a two week motor trip to the Bulkley Valley and the Cariboo where he, as chairman of the Fraser Valley Regional Council, will attempt to organize more Senior Citizens' groups.

Clubs Lodges

The Ladies Auxiliary to the Canadian Legion will stage a card party on Wednesday, April 29 at 2 p.m. A door prize will be featured.

The Ladies' Auxiliary to the St. Andrew and Caledonian Society will meet on Thursday afternoon, April 30, at 2 p.m. at the home of Mrs. J. Hazlett, 15216 Victoria Ave.

The White Rock Yacht Club will hold a social and dance at the Club Rooms on Johnston Road on Saturday, April 25.

The Past Noble Grand Club will meet at the home of Mrs. J. A. McLaren, 13863 Marine Drive on Saturday, April 25 at 2:00 p.m. Co-hostesses are Mrs. William Hanson and Mrs. A. Tyler. Entertainment by Mrs. Del Goodman.

The Color Photography Club will hold its regular meeting on Friday, April 24 at 8:00 p.m. in the White Rock Library. The program will consist of: members 10 minutes by Art Biggs; instructional set "Snow and Ice in Color"; a showing of any slide back of the March 27 outing.

The South Surrey Branch of CARS will hold their regular monthly meeting in the White Rock District Hospital dining room on Monday evening, April 27 at 8 p.m.

The White Rock Swimming Club will meet in the Rotary Club 20205 Trans Canada Highway, Langley, phone Lang 758 (collect). 8 p.m.

Hark, the Public Speaks

The public has given a decided opinion on the matter of street naming in White Rock but council has ignored this opinion and adopted its own policy which allows for street numbers to eventually replace names in the city.

Never again let it be said that public apathy towards civic affairs is dominant in the city of White Rock. Never again will we hear the old cry that the taxpayer doesn't care what the elected representatives do as long as the mill rate doesn't increase. The people of White Rock showed a tremendous response to the city's request for public opinion and it is unfortunate that council chose to ignore this request.

Council's policy in handling the public's views will result in an enormous loss of faith by the people towards their aldermen. The city's greatest mistake was asking for public guidance when all along the majority of members had no intention of accepting anyone else's opinion but their own. Members would have been much wiser to go ahead and vote on the motion alone ad although this appears, and is, dictatorial, it would have saved the embarrassment which must be felt at this time by the other members of council and civic officials.

Council may never ask again for public guidance, but if it does no one can blame the public if they just shrug their shoulders and say "what's the use?"

More Ferry Expenses

Tom Irwin tells us that the latest report on the Island Mainland ferry terminus to be located at Tsawwassen Beach has it that the ferry will have to go around the southern tip of Saturna. This places White Rock three miles closer to the Island than Tsawwassen and eliminates any three to five million additional expense for a pier. There wouldn't be any eight mile road to build, either. Comfort stations will also be a necessity at this chosen site. It's going to be a long time before B.C. Taxpayers get their money back from this project.

Buy Girl Guide Cookies

One youth organization always worthy of the greatest support is the Girl Guide and Brownie movement and local Guides and Brownies will be seeking that support when they call at every home in the White Rock area on Tuesday, May 5, in an effort to sell cookies.

Brownie and Guide groups in this area have found it very difficult during the past few years to find sufficient leadership to cope with the ever-expanding movement. Many groups have been on the verge of disbanding and it has been due only to a few hard-working women that Brownies and Guides are still so active in White Rock. These few leaders and all the girls who have become part of the world youth organization are deserving of wholehearted support during their cookie campaign.

You may not be able to assist the Guides and Brownies in any active capacity but you will help them greatly if you stay at home on Tuesday evening and buy a box of cookies. The 40 cents you invest will pay a large dividend if it relieves the burden of a few workers, which no doubt it will.

Shop at Home

There seems to be a special week for just about anything we can name these days and the reader probably feels somewhat tired of opening the newspaper and seeing that a certain date is the start of another of these weeks.

Where certain commodities are concerned, however, these special weeks serve to bring the customers and merchants closer together. Hardware Week is being marked in Canada and the U.S. from April 22 to May 2 and White Rock and district residents will get the opportunity to visit their local hardware stores and acquaint themselves with the many specials being offered during this period. They will get a chance to meet the local retailers and see how his prices compare with other hardware stores.

"Hardware Week" flashed across the top of an advertisement will bring to the reader's mind shiny new lawn mowers, garden tools, power tools and at this time of year especially—sporting goods. The reader will remember some small item he meant to pick up at the hardware store weeks ago. He will decide to have a look around the store and see if there is anything he needs before starting work around the house.

Yes, special weeks do get tiresome, but they do encourage the "shop at home" theme that everyone should support.

On The Way Up

It is now over two years since our City's Incorporation. Would you say that in that time it has had good operation? We can all have our opinions, for me I will confess. At the start I was, say skeptical, now an unqualified yes. We started out with courage and pessimists galore. Oh yes that's true, you know it, but why with this, you bore. You only need to look around, and if fair minded see White Rock has sure improved from what it used to be. Now like a real city, that just within two years. But enough to change the attitude of many who had fears. That we would sure go bankrupt, recall how sharp their axes. And now we read from our City Hall, no increase in taxes. Unless Provincial school grant flops, anyway we'd say. Thanks to the Powers-that-be things are on an upward way.

—W. F. MCCLINTOCK

Letters to the Editor

Meter Rent

Editor, White Rock Sun,
Dear Sir,

A story is told of a salesman, who prior to the advent of the motor car, hired an old white horse and buggy to cover his territory.

En route, the horse died and the liverman compelled the salesman to pay the sum of fifty dollars for the animal.

When making out his expense account for his trip the salesman included "one old white horse, fifty dollars." However, his manager refused to pass this item and instructed the man to make up a new account, which he did. However, the new expense account totalled the same as the first, whereupon the manager remarked that he didn't see "the old white horse." "Oh, it's there alright, but you don't see it," replied the salesman.

Editor, are citizens of White Rock being asked to pay a meter charge of fifty cents per month in the increased schedule for water rates recently announced?

Respectfully,
R. R. Bush

Servants of The People

Editor, White Rock Sun,
Dear Sir,

It would appear to me that several of our council have forgotten how they came to be there and also how easily they can be removed from office when the time comes.

As we are all aware, public opinion was overwhelmingly in favor of retaining street names. Apparently Ald. Zack and others have a very healthy contempt for this public opinion in as much as he has moved the first reading to the present street naming bylaw. It would seem that he has not a proper comprehension of his responsibilities towards the public.

I realize that this in itself is not a very important issue to some people, but it would seem obvious that it means a lot to a majority of what we call democrats. If Ald. Zack and Co. are allowed to get away with this. Furthermore, if these councillors feel that they can oppose the will of the people of White Rock and get away with it, we assuredly will find them doing this on other occasions which may have more serious consequences.

I would conclude by saying that these councillors should be told and told sharply that they are simply elected representatives or servants who are asked by the citizens to conduct their business for them as they the citizens, want it conducted.

Yours faithfully,
N. E. Logan.

Good for White Rock

Editor, White Rock Sun,
Dear Sir,

I enclose a copy of part of a letter I received from my granddaughter who was a delegate to the recent Teen Town Conference in White Rock.

"White Rock is such a friendly place. Each time we went into a cafe (twice) the waitresses and waiters took a real interest in us, and asked questions about Teen Town and how we liked White Rock and really made us feel welcome. The same goes for the store clerks. Because I was Miss North Burnaby I needed a banner to wear. I went to the newspaper printing place and they made a banner for me and were very helpful. The people too were friendly. We three girls were staying quite far out of town. Twice we didn't have people coming to pick us up, so we decided to walk. Both times we hadn't walked a block down North Bluff before somebody had stopped, seeing that we were delegates, asked us if we would like a ride down to the Silver Moon. These people were very friendly and seemed to have a genuine interest in us and our club. I would like White Rock to know we appreciate their hospitality."

Yours truly,
Gwen Williams.

I thought this might be of interest to your readers, also to all the waitresses, waiters, and store clerks that their efforts to serve and please us is really appreciated.

Grand Dad.

Pleasant Reading

Editor White Rock Sun,
Dear Sir,

I am not a writer, but after I read your paper, April 18, which I bought yesterday in White Rock I could not help but think - what pleasant reading.

Your city is growing and it is being done. Two years old as it is! Everything in the paper was of a constructive nature. I, too am sorry Mr. Gagliardi did not see fit to have White Rock as the ferry terminus.

I am interested in White Rock. I bought property on Victoria Ave. as a working 'gal'. At times it was not easy to make the payments but "all things work together for good." I am having my house demolished, hoping I can have a more permanent place.

Your comment is true to prepare and to lay the foundations on which the future city can be built. It may take my two lots to build just that place, but plans are under way.

Sincerely,
Mrs E. C. Walsh.

No Leash

Editor, White Rock Sun,
Dear Sir,

Further to my letter in your former issue re keeping dogs on leash, I am rightly advised in kindly suggesting that I request my own remission in failing to always keep the dog that so constantly dogged my steps on a leash.

He belonged not to me, but the family I board with, but that is no excuse as I was responsible for him, and thus my neighbor's point was well taken. My faithful canine friend alas has gone the final way now of all dogs.

Yours truly,
Wilfred Attwell.

Supports Board
Statement

Editor, White Rock Sun,

I was pleased to read the letter of Mr. G. W. Wilson, director of Regional Planning Board. He stated that the above organization had no part in street numbering. His statement is entirely correct. They were concerned only with house numbering through the Valley, and Surrey is the only municipality in the Valley who carried the house numbers over into street numbers, despite the statements of Ald. Irwin whom I would advise to get out of the ears as access to office doors is not automatically made for intelligence but can be used to acquire intelligence through research. The following is a summary of the chain of events from 1947 or 1948.

Prior to that time the house numbering throughout the entire Valley was an unhelpful mess, so bad in Ward 7, now White Rock, that Surrey Council determined to number Ward 7. This was done in a haphazard way as many summer cottages (now removed) to comply.

In 1950 the Regional Planning Board came along with its plan to house number the whole Valley. I represented Ward 7 on the Surrey Council at that time and was concerned in the plan, providing they leave Ward 7 out as they had just been renumbered. This was agreed to and nothing was done for several years. In the mean time the council of Surrey and the Valley had developed from an unholy mess to complete chaos due to the subdivisions and building boom until Surrey Council was literally forced to develop a numbering scheme and enforce it irrespective of who owned the building. It was their zeal they enforced the street numbering, this meant where the contour of the land and established roads did not fit in.

However, White Rock is now a separate entity on its own and will have to build its future relying on the intelligence of its elected representatives and certainly there no intelligent person studying a contour map of White Rock will say it is conducive to street numbering. I myself would suggest that interested taxpayers be permitted a vote on the matter. At least it would clear the council individually and collectively of the charge of railroad.

Wm. R. Offer.

Public should continue protest on street numbers

by Vin Coyne

White Rock's controversial street naming bylaw will get second and third reading shortly and unless one or more aldermen change their views on this subject public opinion will suffer its biggest slap in the face since this city incorporated.

Several weeks ago city council asked for public opinion on whether White Rock streets should be named or numbered. Council felt it should have guidance from the citizens in reaching this decision. The general public assumed from this appeal that opinions expressed would be taken to heart; by the city fathers. Then four aldermen came along and gave the public a good boot in their assumption.

Any arguments favoring street numbering that were put forth by these four seemed to have been quashed by the letter which appeared in last week's paper from James W. Wilson, executive director of the Lower Mainland Regional Planning Board. Mr. Wilson states in his letter that never at any time did the board recommend the adoption of street numbers in White Rock.

Council asked for public opinion and it received overwhelming response. Ninety per cent of the individuals and organizations heard from favored retention of names.

Every member of the organizations contacted had a chance to give an opinion. It is not the number of people that were heard from that counts in this issue but the percentage of opinion recorded from those who took the trouble to give council just what they asked for - public guidance.

I hope that one of these four gentlemen is democratic enough to change his policy before the final reading comes up. I also hope that between now and the date of the bylaw's adoption enough public protest is raised to force these aldermen to re-view their decision.

I don't think it is within the prerogative of any elected representative to ask a taxpayer for an opinion in one breath and then tell him to go to hell in the next.

Here is some of the comment made in council and by other individuals and organizations in the city this issue.

Ald. Irwin asked the mayor: "Who are the people who are putting the onus on the city of White Rock to decide on either names or numbers for the streets?"

Ald. Sid Fennell quickly replied: "We are putting the onus on the people, not the people putting the onus on Council."

Fennell argued that he saw no reason why names could not be used on streets running north and south with numbers on streets running east and west.

Irwin felt it was quite feasible to name the little streets which form a jog providing all the streets on the grid system were numbered.

Ald. Zack pointed out that out of 4,000 householders the Council had heard from only 100. "Their opinion is not indicative of everybody's point of view," he said.

Ald. Hynds stated: "I don't care with the Lower Mainland Regional Planning Board or B.C. Electric have suggested, the name system has worked satisfactorily for forty years and will be satisfactory for the next forty years."

Ald. Alex Mitchell pointed out: "By the numbering system it is very easy to find a home you want. We know there is a very strong feeling against it but it is a question of whether we want to preserve history or have a forward look and set up a system with which we can operate."

"It is a matter of education. You have to get educated to numbers or educated to street names. We will have regimentation soon enough. We are not getting enough room to stretch our minds or arms. Street names are just as feasible and reasonable as numbers. London, with its millions, is operating efficiently with street names," Hynds said.

In voting with Ald. Zack, and questioned by Mayor W. Hodgson for ignoring public opinion, Ald. Alex Mitchell stated the number of people heard from represented too small a percentage of the overall population.

Former Ald. William Offer, views with astonishment the action taken by Council on the matter of street naming or numbering.

Insertion of the clause "for a period of ten years" as stipulated by Ald. Max Zack was criticized by Offer, who feels no present alderman has the right to make stipulations which will govern those in office at a future date, as this "ten year clause" certainly does.

Offer points out that men in office 10 years from now will have to make their decision on the matter as they see best. He views Zack's action as dogmatic and dictatorial.

Offer's amazement stems from the fact that an elected body chose willfully to ignore the wishes of the majority of the electors.

Action of council on the matter of numbering or naming of city streets was scored as "undemocratic" by Zone 4 Rate payers at their regular meeting, held in Buena Vista Hall. A letter has been sent to council protesting their action as well as the street naming bylaw to which they have already given first reading.

The letter reads: "At our regular meeting held in Buena Vista Hall, April 16, while still believing we live in a democratic form of society we fail to see how the council attempted to ram through the street naming bylaw after making a democratic gesture of canvassing various groups interested and getting a majority response in favor of names. Therefore we are requesting the council to hold the proposed bylaw in abeyance and take a plebiscite on this question at the elections next December thereby getting a true expression of those interested enough to get out and vote."

Ken Whipple, member of the Zone 1 Ratepayers organization, reports he is both surprised and grieved at the council's flouting of democratic principles in the action taken regarding naming of White Rock streets.

Mr. Whipple states Zone 1 members were unanimous in feeling names should be retained.

To think that the council should go against the wishes of the citizens of White Rock is almost unthinkable, Mr. Whipple stated. He claims the whole matter is totally undemocratic in view of the fact council asked for an expression of opinion on the matter and received the answer that the overwhelming majority of the city's residents were in favor of retaining street names.

British Columbia needs good citizens! 22,000 girls in this province are learning to be useful and responsible - and having fun doing it. Help them finance their indoor and outdoor program by buying Girl Guide Cookies when they come to your door.

FIRST section of new track was unloaded Monday after a mud slide three miles west of White Rock derailed the engine of a freight train and caused considerable damage to Great Northern tracks. The mud slide disrupted train service all day Monday and GNR passenger trains were transported from Vancouver to Seattle by bus. Great Northern workmen had the rail repaired by Monday evening.

Baby shower for Mrs. Don Shaw

A surprise baby shower was held in honor of Mrs. Don Shaw at the home of Mrs. Max Green, Buena Vista Avenue on Thursday afternoon at 2:30 p.m. Mrs. David Hardie and her mother, Mrs. Green were co-hostesses.

A basket decorated in pink and blue held the many shower gifts. Contests and appropriate games were enjoyed by the guests.

On hand for the happy occasion were Mrs. Shaw's mother, Mrs. Alf Eeles of Burnaby and the honoree's grandmother Mrs. Ella Eeles of White Rock.

Week by Week

In The Garden

By G. E. Sery

BEWARE OF TOO EARLY PLANTING

There is a murmur in the air, doubtless originating from some over anxious garden enthusiast, or maybe by someone of those who always want to be first with everything, that it is time to plant out annual bedding plants.

Some unscrupulous salesmen always have tender as well as hardy plants on show for quick sale. It does not matter if they die after they are planted, he'll be able to make another sale later on!

That's all very well, but the florist or nursery man who has his customers' welfare as a basis for good business does not do that sort of thing. Some customers may come to him and say that he wants to take a chance, and if the plants come through with warm weather, he is so much ahead and if they don't, well it does not matter. Well, that's his lookout.

Of course, there are a lot of hardy plants which can be planted out right now. Among the vegetables, cabbages and lettuce should be planted out, and there are plenty of these offered for sale at the moment.

Early Snowball Cauliflowers may also be planted out, but these are just as well left till a little later.

Some like to plant out sprouting broccoli, and I have no doubt these are available. Then too, some gardeners like to plant out Brussels Sprouts. That is alright if they like to harvest them in late summer, even though there are lots of other fresh vegetables ready for eating.

For my part, I prefer to plant these out in late May or early June, and harvest them in late Fall when there is not anything much else left to harvest.

As for flowers such things as pansies, polyanthus, carnations and other perennials and biennials should be planted now, and among the annuals

marigolds are quite hardy, and alyssum planted for an edging should be quite safe.

But with all the more tender half-hardy annuals, I always want to warn gardeners to go easy and not to take chances. Of course, I've come across many of the dwellers on the sidewalk down in White Rock who say they live in the "Banana Belt" and can plant things two weeks earlier than the others, and of course, I know they get away with it.

But for all others outside this "Banana Belt" it is best to hide our time, for even if the weather is nice and warm now, the ground is still a little cold, and tender plants, barely hardened off out of the greenhouse, will naturally receive a slight check. And who knows, before the end of April, or even at the beginning of May it may turn quite cold again. It's happened so often before.

ARE YOU LANDSCAPING YOUR GARDEN?

In laying out your new garden there are a few important principals I would like to suggest. First of these is, keep your design simple. Both from the standpoint of appearance and to save yourself endless hours of needless work, the layout should be kept as simple as possible.

Avoid aimless, wandering paths and a multiplicity of small, odd-shaped flower beds scattered all over the place. Keep the edges of the beds either straight or in bold, sweeping curves. Try and fix things so that you can run your lawn mower right up to and over the edge of the lawn, for this will save much time and energy when you come to trim the edges by hand.

If you are planting trees or shrubs, try and visualize what they will look like in ten years from now. So many mistakes are made by planting small conical shrubs, forgetting that they are going to grow substan-

tially. When buying a conifer, ascertain what height or width (if it is the spreading kind) it will eventually grow to. When planting a conifer in front of the house, it should not be placed less than three feet from the wall. And don't plant a tall-growing tree in front of a window, for it may look very nice when you first plant it, but when it grows big it will obliterate the window.

Then, if you intend to plant trees, either deciduous or evergreen, be careful that it will not eventually spoil any particular view from the windows of the house.

If you are setting out a hedge around your garden or on particular sides, it is most important you should be thoroughly acquainted with the style and height of the hedge you are planting, what amount of work will be required to keep it in time, and whether it will be deciduous or evergreen.

There are many varieties of shrubs suitable for hedges and it is just as well to be sure your choice will suit the position it is chosen for.

VON visits up 300 over 3-month period

WORK is progressing rapidly on the new Superfluty Show being constructed by the Ladies Auxiliary to White Rock District Hospital on Vidal St. Volunteer laborers will be needed Thursday, Friday and Saturday to ensure continued speed of completion of the structure. The rough foundation has already been laid and drainage and plumbing installed. Anyone interested in helping is asked to report to Gordon Stewart at

the site on Thursday morning or at any time they have a few hours to spare.

Women's Club to entertain president

Members of the White Rock University Women's Club will entertain in honor of the local president of the Canadian Federation of University Women, Mrs. A. S. Morton. The tea will be held on Saturday afternoon at the home of Mrs. J. S. Ramage, Panorama Ridge. Honored guests pouring at the tea will be Mrs. J. R. Neill, provincial director of the C.F.U.W. and Mrs. Margaret McDonald, western vice president of the C.F.U.W.

Servers will be Mrs. Don Agnew, Mrs. K. W. Conliver, Mrs. M. B. Sanford, Mrs. W. C. Dumas and Miss Margaret Hardy.

Local man on BCE Social, Athletic Club

James Thorsteinson of 17011 Sunnyside Road has been appointed a representative for Surrey and White Rock on the executive committee of the newly formed BCE Fraser Valley Social and Athletic Club with a membership of 500 company employees.

Hugh Christie to be heard Monday

Mr. Hugh Christie, warden of Baskin Prison Farm, will speak in the subject, "Delinquency Prevention, Cause and Treatment," at a public meeting to be held in the White Rock United Church, Monday evening, April 27 at 8 p.m. The meeting is sponsored by the University Women's Club of White Rock.

Total visits for March for the VON nurses in White Rock and Surrey did not increase over the same month in 1958, but total for three months this year were up 300 over the same period last year. It was reported by nurse-in-charge, Miss Louise Hamilton, at the monthly board meeting held at the Kin Centre in Cloverdale Monday.

There were 60 new patients admitted, 924 visits made of which 733 were for nursing care and 171 for health instruction. A breakdown of fees showed that 40 visits were made paid for by DVA for veterans under coverage and 19 full paid visits by contract for cancer patients.

Of the total visits there were 147 fully paid, 30.4 percent or 255 visits paid, 21.9 percent or 203 free visits and 18.3 percent or 177 visits without charge.

Three Surrey VON nurses with past president Mrs. J. Scott attended the annual meeting of the Vancouver branch of the VON when an unrehearsed skit was presented showing VON nursing care and health instruction for the family which pointed out three important

Surprise party for Rev. Anderson

A surprise birthday party was staged by the members and friends of the White Rock Pentecostal Church in honor of their minister, Rev. D. Anderson.

The social hour was held following the quarterly business meeting. A specially decorated cake topped with a "Good Wish" skit was presented showing the minister was the recipient of a gift from the adult membership and a money gift from the young people of his congregation.

Plans made for Crescent May Day

The Crescent Park PTA held a May Day Committee meeting at the home of Mr. and Mrs. D. R. Flax on Friday evening, April 17. Mr. Flax, president, took the chair.

Mr. E. P. Gould was appointed parade marshal. The Air Force Band and Surrey Boys Band will be invited and Scouts, Girl Guides and G.O.T. Jacqueline Gignore has been chosen Crescent Park School's May Queen.

The Queen's attendants chosen are Paron Templett and Marjorie Pat Schell. The banquet for the royal party will be held in the United Church. In the evening dance will be held in the Legion Hall. May Day is to be held Saturday, May 23.

Library Chatter

The annual meeting of the Library Committee held recently attracted only a handful of interested persons.

Mr. Hugh Skelton was re-elected as chairman; Mrs. E. Conliver as vice chairman; Mrs. R. P. Morris, secretary and Mrs. Kendall, treasurer. Two new members were elected to the board of directors, Mrs. E. G. E. Keeling, and Mr. McMillan. E. Keeling, and Mr. Brown who will be in charge of publicity.

Some interesting facts given by Mrs. Kendall, librarian, included the number of borrowings registered at the White Rock Branch since January, 1958 — 2300 persons to date.

Did you know that 20 fiction books are changed every two weeks when the book van from headquarters calls. At the same time book requests are filled. Incidentally do you ever request a book? It gives guidance to the persons responsible for the purchase of the new books.

A very interesting section is the one marked "Young Adult." Carefully selected books for the adult library are to be found here and in this way the young readers are introduced to a wider choice of books.

The Library Committee is still trying to locate suitable hair-dressing table for the children's library.

aspects of the VON work, prevention of home accidents, and vital referral system.

Films were shown at the auxiliary meeting at Port Kells and a talk was given to members of the Peace Arch Women's Institute illustrated by films.

Average church attendance 44

Tredon Anderson, newly elected secretary of the Young People's Society of the White Rock Pentecostal Church, reported his group shows an average attendance of 44 each Friday evening.

He made his report at the first quarterly business meeting for this year held in the Church, Wednesday evening, April 15, when reports were also given from the Sunday School and Women's Mission Council.

Two new staff members were added to the Sunday School in the persons of Miss Mabel McNally and Mr. Paul Radke at the regular meeting of the Sunday School administrators held at the home of the superintendent, Mrs. M. Statham, Brown Road.

Date for the Sunday School picnic has been set for June 29 at the Burke farm on Campbell River Road.

Family Vacation Bible School will be held during the week of July 27, with Misses Minnie and Hilda Muller of Edmonton in charge. The Misses Muller will also conduct the church services while the pastor, Rev. D. Anderson, is on vacation during July.

Let us quote on your next job!

Call Mr. ARTHUR

Lynn Sully director of B.C. real estate board

Lynn K. Sully of White Rock was elected as a director of the B.C. Association of Real Estate Boards at the Association's third annual convention held last week at Harrison Hot Springs.

Mr. and Mrs. Sully were among several White Rock residents attending the convention. Others attending from this area included J. L. Burrows, R. B. Wicks, Ron Herman, Arnie Jeffs and Ed Reser.

A record attendance of 350 B.C. real estate agents, salesmen and wives were on hand Tuesday evening as Mladin G. Zorkin of Nanaimo, B.C., was installed as president of the B.C. Association.

Zorkin succeeded Maurice Klinkhamer of Cranbrook as head of the 2,500 member Realtors association.

Other officers elected were Fred Philips of New Westminster, first vice president; Charlie Brown of Vancouver, second vice president; and directors John Harvey of Quesnel, Syd Hodgie of Penticton, P. D. P. Holmes and Lorrie Kirk of Victoria.

Lynn K. Sully of White Rock, Bill Hyndman of Cloverdale, Fred Urquhart and Harold Chivers of Vancouver, and R. E. Slinger of West Vancouver. Pentstemon will be the location of the B.C. Association's 1960 convention, it was also announced. It will be held in April or May.

Announcement was also made at Tuesday evening's final meeting that the Canadian Institute of Realtors, the professional and educational arm of the Canadian Association of Real Estate Boards, had established the first bursary for a student studying real estate at a Canadian university, and that in recognition of the outstanding work done by B.C.'s real estate educational courses, it would be awarded annually to a student at UBC's Faculty of Commerce and Business Administration.

GORDON LEECH has been appointed to B.C. Electric's Newton office as building contractor liaison representative for Delta, Surrey and White Rock. In this capacity, Mr. Leech will serve contractors and sub-division developers in respect to gas and electric services. He was formerly a senior applications clerk in B.C.E.'s general sales division.

Zone 4 appeals water rates

Strong protest will be registered by the Zone 4 Ratepayers against the proposed water rates sought by the White Rock Water Works Company upon the installation of meters early in the summer.

Members felt that the proposed \$3 per 1000 cubic feet would prove a hardship on the older residents of the city whom they claimed would in all probability not use nearly this amount.

Instead members felt a charge of \$1.75 per 500 cubic feet would be fairer. This usage would total almost 1800 gallons per month per household.

Members had studied both the Vancouver and Burnaby water charges before arriving at their decision and in view of the fact water has to be

pumped a greater distance in White Rock they felt they must allow a slight additional charge for this area as against Vancouver.

It was felt residents should not have to pay for the use of 3,000 gallons per month when they don't need it. They fully realize that they must pay 40 cents per 100 cubic feet for anything over the stipulated amount.

Protest to this effect has been mailed to the Public Utilities Commission with a delegation of three appointed to appear before Council on the matter.

Resignations of Mr. William Offer, Zone 4 organizer and his wife, Mrs. Offer, secretary, were accepted with regret.

Manse grounds to be landscaped

The Men's Club of White Rock United Church has taken on the task of landscaping the Manse grounds.

The portion of land on E Street will be left until sidewalk construction is carried out but a work party will be held on Monday at 6 p.m. with the purpose of seeding lawn on the Buena Vista side of the building. All members are invited to join in the work.

The Club held its last supper of the season Monday with some 40 members present.

Program consisted of a forum with president Jack Jones in the chair.

Members taking part in the discussion were Danby Hannah, Harold Sinclair, Bill Cooper and Nestor Iowzky.

Among those topics discussed were U.S. influence on Canada, especially B.C., and the effect westerners and crime shows on TV has on juvenile delinquency.

Volunteer CARS drivers praised

White Rock residents who should receive honorable mention, and yet who choose to remain in the background are those 20 public spirited individuals who are on call twice weekly to transport patients to and from the CARS clinic held in the White Rock District Hospital each Monday and Thursday afternoons.

Reporting on their splendid contribution, Mrs. R. Miller, head of the transportation committee for CARS, states that the majority of the volunteer drivers are from White Rock in spite of the fact none of the patients requiring bi-weekly transportation are from White Rock city.

Because of this many of the volunteers find it necessary to make lengthy trips, even into Delta, to pick up their patients.

Volunteer drivers from other Surrey areas would be very much appreciated and would contribute greatly to the decrease in time necessitated by the lengthy trips to both pick up and return the patients.

Princess Margaret plans spring carnival

The students of Princess Margaret are busy planning their annual spring carnival. This carnival is going to be a gala affair. It is under the sponsorship of the student council, headed by Lavorne Ellis.

The carnival will be held in the school on May 1 and 2. On Saturday night there will be a street dance in the Newton Plaza under the auspices of the H.F. Club. Games and amusement will be provided by the Royal Canadian Shovels.

If you think British Columbia needs capable, resourceful girls, buy Girl Guide cookies when one of their uniformed youngsters comes to your door, and invest in this vital youth program.

Students create traffic hazard in White Rock

Straggling students en route to and from school are creating a traffic hazard in White Rock.

Complaints reaching Council indicate the situation has reached grave proportions, especially along North Bluff Road, where it is reported students are walking four and five abreast in a 40 mile an hour zone, and refuse to move over in the face of oncoming traffic. The same situation is reported on Buena Vista Ave.

Ald. Jessie Lee contended that the city spends the taxpayers money to place sidewalks in front of business premises and also endorses paying curb to curb in business sections to facilitate shoppers and in her opinion sidewalks adjacent to schools were equally important, if not more so. Ald. Ed Irwin also felt the problem demanded the installation of sidewalks.

Mayor William Hodgson

pointed out that the Queen Elizabeth School has been in operation for 15 years and although it is located right on the King George Highway, still no sidewalks have been constructed to facilitate students there. And he noted, students walk abreast right on that main thoroughfare also.

Decision was made to notify the school board, school principals and the RCMP of the situation.

The many friends of Mrs. Johnson Ball, Merklein Street, will be happy to know she has arrived back from Paradise, California, where she spent the winter months.

The many friends of Mrs. Joan Campbell, P.T. president, will be happy to know she is recovering from her recent operation and will be home again from hospital shortly.

Guide, Brownie cookie drive

This year all the Brownies and Guides in White Rock will combine their efforts to make the annual Cookie Sale more successful than ever before.

Brownies and Guides will meet at the Youth Centre on Tuesday, May 5, at 7 p.m., to plan their efforts to make the annual Cookie Sale more successful than ever before. The cookies, made by Westlows, will sell at 40 cents a box containing 24 cream filled cookies.

Parents and friends are being asked to supply transportation and each driver will be responsible for his Guides or Brownies covering a given area. In this way it will be possible to call on every home in White Rock between 7 and 8 p.m.

Cars will return to the Youth Centre where refreshments will be served followed by a campfire.

The Sea Rangers will assist the Guides with the dispatching of cars and other duties.

Student team to speak here

Next week a special team of students will be visiting White Rock to speak on what they call their "Winter Adventure."

They will be from the Nar-mata United Church Christian Leadership Centre in B.C. The group visiting White Rock will be led by Mrs. Patricia Stallwood and will speak at a special social meeting held at the First United Church on Wednesday, April 29, at 7:30 p.m.

There will be two girls and a young man on the local team and there will also be musical items on the program.

The team will be introduced by Rev. Alfred Laing and members of the Session of the Church will be arranging the social refreshments.

This year two United Church families and three young people will be attending the Leadership Centre for Summer Courses to help further their experience in conducting Sunday School and youth work in the local church.

Two Teen Town dances this weekend

The Fraser Valley Teen Association will sponsor two dances Friday and Saturday of this week.

Friday night's dance will be staged in the Cloverdale Community Centre while Saturday's dance will be held in the Ar-gie Hall, Hianey. Both begin at 8 p.m.

Reg Davies, of White Rock, provincial chairman, and Ron Nordin of Abbotsford, past provincial chairman, are in charge of arrangements.

Proceeds will go towards defraying recent expenses incurred by the association.

ROAD PAVING

(Continued from Page 1)

1958 better than we expected and the city is now in good shape. All the mists such as schools, police, fire and lights eat up most of the budget and what is left always goes to public works, which is the thing people see is being done. We expect 1959, however, to be the best year yet," the Mayor concluded.

Delta MLA Gordon Gibson also addressed the meeting and said he hoped the provincial government would soon put the present King George Highway in good condition.

He said the government is seriously considering making Johnston Road an arterial highway.

Dr. Gibson spoke on the Labour Bill 43 and explained the government's views on this bill.

Gordon Wilson, director of the Associated Boards of Trade for the Fraser Valley spoke on aspects of the Bill of Trade work. He outlined the aims of the Chamber of Commerce.

Mr. Wilson said the Associated Boards of Trade had served this area well since its formation in 1938 and the progress made by the organization shows the stimulus of this group. It works to provide answers to present and future problems.

Ocean Park Boys Club presents excellent display for parents

An excellent display of gymnastics, tumbling, games and presentation of cups, highlighted the annual display of Ocean Park Boys Club held Tuesday at the Community Hall.

Many parents and friends of the boys turned out to see what the youngsters had accomplished during the past year. Loud applause was rendered to both the juniors and seniors who presented many outstanding feats.

Program director was Derek Uren and Ted Hindmarsh who is back at Ocean Park after visiting the Boys Town B.C. project near Hope was also on

Festival launches member drive

White Rock Sea Festival Society has launched a membership drive in an effort to gain support for this year's twoday show to be held on Friday and Saturday, July 17 and '18.

Jim Howse is in charge of the membership drive.

The Society met Monday at the Silver Moon and decided to enter a decorated car in the Bellingham Blossom Time parade.

White Rock Junior Chamber of Commerce outlined a tentative program for the Festival. Other organizations in the city will be asked to play a part in the Festival and methods of splitting proceeds of the show were discussed.

The Board of Trade will be asked to handle the advertising for the program and White Rock Teen Town will sell the programs.

Next meeting of the Society will be held in May. Date is to be announced.

Etta Murphy on radio Monday

Etta Murphy, known locally as Mrs. David Berg, talented member of White Rock Players Club, will be heard on "Vancouver Theatre Presents" this Monday night at 8 p.m. over CBU. She will take part in the "Riders in the Sky" production. Etta, who just completed her radio audition two weeks ago, has also been invited to take a role in the "Playboy of the Western World" presentation which will be heard over a CBU Wednesday night program soon.

Etta won wide acclaim for her role in "Playboy of the Western World" which won the Dominion Drama Festival for White Rock Players last year.

All Branches of the Independent Order of Oddfellows are invited to join in the annual church service to commemorate the one hundred and fortieth anniversary of the Order on Canada evening, April 26 at White Rock First United Church at 7:15 pm.

Biggest father and son banquet ever staged by local Cub packs

Biggest Father and Son banquet ever staged in White Rock was held in the Legion Hall, Johnston Road, Wednesday evening, April 15, when members of the 1st White Rock A and B Cub Packs and the 1st White Rock Scouts joined in the annual event.

Ken Conibear was in charge of the very successful evening. Honored guests at the head table included Jim Shaw, president of the South Surrey District Council, David Ogilvie, Queen Scout, and former member of the 1st White Rock Troop and Rev. Harry Berry.

The improvement in deportment and dress registered amongst the Cubs and Scouts was praised by guest speaker Jim Shaw.

The resignation of Scout leader, Dave Price was received with regret. Pressure of business was the compelling factor in his resignation, Price stated.

Talent was in abundance as members of the Packs and Troop entertained guests which included the mothers of the Committee who were allowed in following the dinner.

Members of A Pack produced their fine version of the Mad Tea Party from Alice in Wonderland with Chris Gay playing the part of the Mad Hatter, Bill Ballard, assistant Cub master, playing the part of Alice; Barry Sanford, the door mouse; Tommy Evans, the March Hare and Ken Whipple, Cub master serving as director.

The unique setting was comprised of a garden scene produced by the boys themselves by the bringing in of a wide variety of young trees with which they turned the centre of the hall into a garden setting with participants sitting along the floor. When Alice enthusiastically asked the boys for a song they broke out into familiar rounds and campfire favorites.

Members of B Pack, under the leadership of Tom Coulter, entertained the guests with three rounds of boxing while members of the 1st White Rock Scouts under Dave Price entertained with charades.

Members of the Committee present were Mr. J. R. Hewitt, treasurer; Dr. Alan MacPherson, Mr. R. Wickham, Mr. J. Miles, and Mrs. J. Miles, president of the Ladies' Auxiliary.

Other special guests introduced by the chairman were Commissioner M. L. Green, District Cubmaster Ron McNally, Mr. Ray Hayward, vice president of the Canadian Legion, and Mr. Brent Praxford, chairman of the 2nd White Rock Group.

It was a family affair Friday, April 17, when two more Brown-

ies joined the ranks of the 2nd White Rock Brownie Pack.

On hand to see their daughters enrolled were Mrs. Paul Starek, together with her two young daughter and Mrs. Davies of Royal Ave. as well as the initiate's younger sisters.

Enrolled into the pack by Brown Owl Mrs. Rose Ballard were Linda Starek and Beverly Davies.

An all day hike through Hazelmore area was enjoyed by 16 members of the 2nd White Rock Brownie Pack on Saturday, April 18, when even encounters with stinging nettles and thick underbrush failed to dampen the spirits of the "happy wanderers."

An open campfire complete with roasted potatoes and cocoa made over the coals rounded out the day's activities which were highlighted by the gathering of a nature collection. Mrs. Rose Ballard, Brown Owl, accompanied the girls.

Mrs. Lillian Browne, Guide Captain of the 2nd White Rock Company, has welcomed another two Brownies into the group's ranks. Janice Smith, who flew up from the 1st White Rock Brownie Pack and Ann Thompson who flew up from the Douglas Pack have now become full-fledged Guides.

On each graduation occasion parents and friends provide the refreshments.

Owing to the growth of the 2nd Guide Company a new patrol has been formed with Kathy Harvey as patrol leader assisted by Gail Webb who has recently completed her classification.

Melanie Oxley, Carol Robert-

Maloneys' have rock hobby

Locating treasures in rocks is the fascinating hobby of Mr. and Mrs. Harvey Maloney, 14951 Prospect Avenue, White Rock, who since purchasing a lapidary machine last Christmas have already begun to turn out jewellery geared to please the most sophisticated matron.

Members of the New Westminster Lapidary Society, Mr. and Mrs. Maloney take to their tent most summer weekends, just anywhere where rock is in evidence and with their picks they probe the slopes in search of precious stones.

Rock-hunting is not without its disappointments as the Maloneys have discovered. Only recently they were called to Abbotsford to examine a piece which a resident was sure was black jade only to discover the rock was of no value.

Mrs. Maloney, however, does not limit herself to that of a lapidary. Painting and leather work are also her keen interests and at present she is a member of the sketch group operated by Miss Lorna Holcroft which meets each Wednesday afternoon at the home of Mrs. Len Marshall on Marine Drive.

Mrs. Maloney fondly recalls some of the prizes she has captured at the Cloverdale Fair for both her paintings and leather work.

Able to turn her hand to almost anything she is at present busily engaged assisting her husband, an accountant, in his rush season of preparing income tax returns.

son and Relinda Irwin have been made acting seconds.

The White Rock Boy Scout Troop and Cub Pack will hold their Father and Son Banquet on Monday, April 27 at 7 p.m. at the White Rock Yacht Club Rooms, above Midway Motors at Johnston and North Bluff Roads.

Mr. John Hill will convene the turkey dinner. Mr. Cecil Warren is Cubmaster and Mr. Petty, Scout Master.

Entertainment will be provided by the Cubs and Scouts.

Surrey pioneer speaks to Women's Institute

This story was held over from last week's news.

Joseph Brown, well-known Surrey pioneer, was the guest speaker at Douglas District Conference of the Women's Institute held on Wednesday, April 8.

The Conference was hosted by Cloverdale Women's Institute, which marked its 50th anniversary on that day. Delegates representing 13 institutes attended.

Mr. Brown took the delegates back over the years and told what a splendid part Surrey Women's Institute played in the building up of so fine a district. He also pointed out what the Institute had meant to the women of the neighboring communities.

Reeve Robt. Nesbitt of Surrey welcomed the delegates following the official opening and prayer. He paid tribute to the work of this fine organization with special attention given to the Cloverdale Institute.

President Mrs. J. J. Mullins welcomed all present after which the business session was engaged in until the lunch recess.

Following the luncheon catered to by the Auxiliary of the United Church members met at 1:30 at the new museum for the dedication of a dogwood tree presented by the Surrey Women's Institute. Provincial president Mrs. F. E. Decker and Rev. Golightly, performed the ceremony.

Following the ceremony the members engaged in the placing of flowers in memory of institute members who had passed on during the past year.

Much discussion arose from the second reading of the resolutions.

During the day the business agenda was lightened by a Dutch auction.

Provincial president Mrs. Decker was happy to report that the Institute's Centennial Cook Book had now reached the best-seller class with more than 5000 copies having been sold and requests coming in from all parts of the world.

Mrs. Mullins, Douglas District Board president, reported that a certificate of merit had been awarded to the Langley Institute for the Women's Institute's Centennial project, the making of all historical character figurines which are on display at the Fort Langley Museum.

The greatest honor of all is to be performed in May when a stamp goes on sale to commemorate the birthday of the Women's Institute. The Institute originated at Stony Creek 60 years ago.

Mrs. Kronkite, the Centennial essay award winner, who won the title with her "Things My Grandmother Told Me," was present and read her work, a lovely heart warming pen picture which will be published in the magazine Country Life. The members from Delta staged a skit which was greatly appreciated.

Elected members for the Douglas District Board are White Rock's Mrs. S. F. Stewart, president; Mrs. J. Mullins, vice president; Mrs. S. Holding, secretary treasurer. Directors

Council won't buy used equipment

An effort to protect the city's coffers resulted in failure for Max Zack when he tried in vain to persuade Council to purchase a used tractor rather than a new one at a saving of \$4,000. Fellow council members felt

written by J. Pearson, author of "Land of the Peace Arch" was read at the close and provided a fitting tribute. The birthday cake topped with 80 candles and decorated in the Institute colors was then cut by Mr. J. Brown, bringing to a close a very happy and worthwhile day.

it a poor investment of taxpayers' money to purchase used equipment and moved to purchase an Oliver OC-12 tractor from the Pacific Tractor and Equipment Ltd., for \$17,575.46. The tractor is a diesel powered turn direct electric starting crawler tractor equipped with heavy duty guards and boasts a canopy, lights, hour meter and a model 120 loader. Weight of the tractor is 18,775 pounds and it has 1 1/2 yards bucket capacity. It will be used for land reclamation and garbage disposal purposes.

The reward of one duty is the power to fulfil another.

Want to Sell, Buy, Trade? - Use White Rock Sun Classifieds for quick results!

Over 41,000
Lower Mainland homes
are now heated with Gas!

During 1958 alone, 17,981 comfort-conscious Lower Mainland homeowners installed efficient, economical gas heating!

If you and your family are not already enjoying the many benefits of clean, fully automatic gas heat—talk it over with some of your neighbors who are. Find out at first hand why nature's finest fuel is fast becoming the Lower Mainland's favorite fuel!

You'll learn that gas heat is:

ECONOMICAL—no storage bins, no tanks, no idle fuel. Gas equipment usually costs less to buy, to install, to maintain.

CONVENIENT—fast, uniform home comfort is yours at the flick of a thermostat with fully automatic gas. It puts shovelling and ash-hauling where they belong—in the past!

DEPENDABLE—piped-in gas heat is always at your service, ending fuel shortages and delivery problems!

CLEAN—the clean-burning gas flame means no soot, no ashes, less dust—to save you cleaning time and trouble, to save you redecorating expense!

The B.C. Electric's Budget Billing Plan permits you to spread cold-weather heating costs over most of the year. For further facts on modern, money-saving gas heat—with a free estimate of your heating costs, call the B.C. Electric Heating Advisory Service at MUtal 3-6757, or your nearest B.C. Electric office. Ask for a copy of the "Guide to Heating Comfort" which gives helpful information on the selection and proper installation of gas heating systems.

INSTALL NOW—PAY LATER!

Ask your heating equipment dealer about his convenient plan that permits you to install gas heating now, with no payments required till next October!

B.C. ELECTRIC

Gas... the ideal fuel for heating, cooking, clothes drying, water heating, incineration.

THURSDAY, APRIL 23, 1959

On The Alleys

with Stew Maxfield

What an upset we had here Sunday afternoon! The "Lawly Ports" as I had occasion to call them once before, came out from behind to take the winner's spot in the Sunday 10 Pin League. Mind you they had a terrific battle with the Duffers who played "tag" with them all the way through the five games, but they ended up with a 92 pin advantage at the end to take the Trophy.

At no time were the Ports or the Duffers ever seriously threatened by the Squealers or the Idle Hour Teams, who had led the League all the way through the season. Team players for the Ports consisted of team captain Wilf (Blackie) Leonard, Mick Weir, Terrence Young and Bert Frank.

I take a great deal of pride in the achievements of this team as the team was all made up of new 10 pin bowlers by me in order to make up the league at the start of the league play, and it was only through a great deal of work on the part of Blackie that the team was finally whipped into shape in the last half.

Blackie only started 10 pin bowling last fall and has, as Ed Sullivan would say, "put on a

really big show." Congratulations to Blackie and his Ports.

Saturday night we had another "big show" when the Immigration and the White Rock Motors fought it out to see who was boss, when they ended up in a tie at the end of League play for a play-off berth. The issue was decided at the Idle Hour Saturday evening in a tie breaker match with the White Rock Motor boys taking the decision. There was a great deal of "kibitzing" and cheering going on as each team's supporters got out to cheer for their warriors.

It is a very sad feeling when these leagues wind up for the season, it is sort of like seeing an old friend leaving you. You know you are going to miss seeing them around and there is not a darned thing you can do about it. This afternoon our Blind Bowling friends are here again for an afternoon of fun. On Friday afternoon they journey to New Westminster to Bowl a challenge match at the Olympic Allys against their White Cane Club. Mrs. Schupe won a beautiful bouquet of flowers donated by Rosemount Florists while Mr. Marshall won the free taxi ride donated by Bill's Taxi. Rev. Dr. Sloan played a very steady game today, rolling a 147 and 159. We are banking very heavily on him to come through again on Friday.

Yours for better bowling,
Stew Maxfield.

Forest wardens needs assistance

The Forest Wardens will be come defunct in White Rock unless interest can be revived. Peter Burrows, 15, grade 10 student at the Semiahmoo High School pointed out.

A few years ago the organization was a healthy one with more than a dozen keen members, but gradually because of other pressing duties, the numbers have fallen away until with no individual actually at the helm.

Peter reports he is willing to reorganize the group providing enough active interest is demonstrated. He points out the worthwhile features of belonging to such a fine organization where a boy is trained in forestry, fire-fighting, woods' travel and knowing how to get around in the forests, as well as learning the semaphore and Morse code.

Uniforms consist of a red shirt, red hat and green tie, and green trousers.

The co-operation of an adult, well versed in the subject of woods' travel and forestry would be of inestimable value in the re-organization of this group, Peter states, and such help would be very much appreciated.

Burrows is anticipating a career as a forester and plans to major in forestry at U.B.C.

Anyone interested in joining this organization or assisting the boys in their instruction is asked to telephone Peter at WI. 8-8937.

\$1,000,000 Playland at Exhibition Park

Spring will come to Playland at Exhibition Park on May 1 when the wheels will begin to turn for a summer-long run through to Labor Day.

The new \$1,000,000 Playland proved its popularity during last year's Pacific National Exhibition when it ran for 13 days and played to record-breaking crowds.

Playland will feature several new permanent rides this year for a grand total of at least 15

by the time all are operating. Plans now include 10 major rides and six in Kiddie-Land.

The gayway row, another permanent Park feature, will offer patrons the choice of a dozen games of skill, including darts, shooting galleries and ball pitches.

Hot dog, pop, candy floss and coffee stands will open at the same time.

Goodness never fails to receive its reward, for goodness makes life a blessing.

— Mary Baker Eddy

Zenith Gives a Fashion Note for the Hard of Hearing

FASHION NOTE FOR THE HARD-OF-HEARING. A new Zenith Crest hearing aid can be worn in different ways with any type of clothing. Left, the hearing aid is concealed by a rhinestone brooch and connected by cord to earphone. Right, the wearer's hair hides the earphone. The Crest, a full powered 4-transistor instrument, weighs less than an ounce, complete with battery. (H-A-D)

Surrey Cricket Club joins mainland league

Surrey Cricket Club have been accepted for membership in the B.C. Mainland Cricket League, and will be playing regular league games every Saturday during the coming season.

Eleven home games will be played on the Oval, at Bear Creek Park, and eight away games will be played on grounds in the Greater Vancouver area.

The team will be captained by Cecil Ormer, and contain a good number of players, including some high school boys. Anyone looking for some good cricket during the season, would be welcomed to the membership, also those interested in the game, but unable to take an active part, would be welcomed as non-playing members.

A practice pitch, with nets, is being prepared at Sunnyside Park, off King George Highway, near Sunnyside. This will be used by the members, and also for the younger players under Mr. Peter Lowe and Mr. Art Gutterage; it is hoped that boys will progress to the senior team in due course.

There will be a practice game on the Cloverdale Ball Park near the Cloverdale Legion Hall on Saturday afternoon, April 25 at 2 p.m. Any player or anyone interested in the game of cricket will be very welcome at the practice game.

The first league will be played on May 2 against Burrard C.C., in Vancouver; the second game will be played at Bear Creek Park Oval, on May 9, when the local team entertain the Occasionals, from Vancouver.

Five Already Enter

Early interest in 1959 Miss White Rock contest

Five lovely girls are now in the race for the Miss White Rock title, with three additional contestants coming to the fore this week.

Mrs. Elizabeth Woode and Mrs. Connie Phillips who are advising the girls report they have already started instructing the girls in speech-making and plan to instruct them in poise, gestures, and general contest protocol in the next few weeks.

Date for the choosing of Miss White Rock has been set for Friday, July 17.

Sponsors are also coming to the fore voluntarily. Mrs. Woode reports. To date promised sponsors are the White Rock Fire Department, Silver Moon, Super Valu, Rosemount Florist and the White Rock Sun. A number of other firms have indicated their interest.

First contestant to enter, 17 year old Bony Eby, 1514 Columbia Ave., has brown eyes, red hair and stands at five feet six inches.

She is an all-round sports enthusiast and won the title of best all round grade 11 student last year capturing the coveted Hi-Y award. She serves as secretary to the student's council and has played on the senior basketball team for the last two years. Volley ball and swimming are also her specialties. She is a member of the school Pep club.

A would-be doctor was the second to enter the race in the person of 18-year-old Lorrie Williams. Blonde hair and grey eyes and a height of 5 feet 5 inches coupled with a determination to see her career through to a successful conclusion are Lorrie's chief assets.

Pitcher on the 1958 champion baseball team, the White Rock Pandas, 17-year-old Diane Moritz has also entered the race. She has blue green eyes, light

brown hair and a height of 5 feet 10½ inches. She plans to be a model.

Sports of all kinds, including track and field are Diane's chief interest besides playing the piano and singing. She is a member of the Sea Rangers, Hi-Y, Pep Club, sews her own clothes, cooks, exotic dishes, enjoys copper work and drawing, sings in the church choir, enjoys dancing and horse back riding and collecting ornaments. Diane plans to be a photographer's model upon graduation.

Poising for photographers has taken up much of the spare time of Carroll Dick, 18 year old contestant and resident of 15090 Pacific Avenue. Carroll has brown eyes, dark brown hair and a height of five feet 8 inches. She enjoys reading and swimming and bowling. She plans to be a private secretary.

Seventeen year old Marie Greenwood of 13877 Brown Road has also entered the running. Her eyes are blue, hair blonde and her height is five feet, two inches. Her hobby is piano playing and she plays an important role in her parent's orchestra. She plans to be a hairdresser.

The next meeting of the contestants and all those interested in entering the contest will be held on Monday evening, April 20 at 7:30 p.m. at the home of Mrs. Connie Phillips, 1776 157 Street.

Soroptimists card party tonight

Miss Madge Farmer will convene the spring card party to be sponsored by the White Rock and Blaine Soroptimists tonight, Thursday, Apr. 23, at 8 p.m. in the Canadian Legion Hall.

Final arrangements for the event were made at the regular monthly meeting of the club held at the home of Miss Winnie Carder, Hall's Prairie Road, Thursday, April 8. Twenty-two members were present. Tickets for the card party may be obtained from any Soroptimist member. Proceeds will go towards a scholarship for some worthy student in the '59 graduating class of Semiahmoo High School.

The president, Mrs. Kay Langlands, will accompany the vice president Mrs. Stella Hodgson to Regina to attend the Soroptimist Convention, May 23, 29 and 30.

Club members entertained the

Can't crawl through two-foot hole: Zack

Is a hole of two feet wide wide enough for the average man to crawl through? Alderman Max Zack does not think so.

Ald Zack questioned Ald. Alex Mitchell, April 14, on the adequacy of the width of such a crawl-space opening when Mitchell moved that the building by-law be changed to stipulate that all foundation openings be widened to two feet in width and 36 inches in height. The national building code calls for merely 18 inches in height.

Ald Mitchell also moved that the minimum height for crawl space beneath a house be no less than 36 inches.

members of CARS at a luncheon at the Clover Inn on Sunday, April 12.

The club received good response from the sale of tickets to the Bolshoi Ballet at the Park Theatre recently.

Captures deep diving prize

Outstanding diving skill was demonstrated by Laurits Larsen, 19, of Marine Drive, when he captured the shot-line prize for deep diving at the monthly outing of the Federation of Skin Diving Clubs held at Horseshoe Bay just east of Horseshoe Bay Sunday afternoon, April 12.

Laurits, who has just had three weeks' skin diving experience since becoming a member of the White Rock Skin Diving Club, managed to get down 50 feet without the use of a tank which equalled the attempts of the professional divers with whom he was competing. This was his first attempt at deep diving.

The deep diving competition was one of three tests of skill staged at these monthly picnics, the other two of which are a treasure hunt, and a hunt for the most unusual object to be found on the ocean's floor.

More than 100 divers participated in the competition. The White Rock Club will play host to the other Fraser Valley Clubs in August.

Surprise open house for Faders

A surprise open house was held Sunday, April 12 all afternoon at the home of Mr. and Mrs. Herbert Fader, 14890 North Bluff Road in honor of the marriage of Miss Diana Lowe to their son Edward Fader.

Guests included Mr. and Mrs. Maurice Lowe, Ocean Park, parents of the bride; the bride's brother Bernard Lowe and his wife and two children; several relatives and friends from Vancouver and the local community.

The groom's two sisters, Mrs. Dorothy Hishop, Mrs. Frank Kelly and their husbands from Burnaby; also the groom's grandmother, Mrs. C. Sherrington, his aunts and uncle, Mr. and Mrs. Fred Mylroie, Mr. and Mrs. Grozav and relatives and friends from Vancouver were also present.

Refreshments were served along with a buffet supper continuing all day. A total of 75 guests were entertained.

At the end of the day the bride and groom displayed the lovely presents they had received from the guests.

The bride and groom are now residing on Lowewood Ave. in Ocean Park.

The biggest reward for a thing well done is to have done it.

Report from Ottawa

Cost of living gone up '15 cents a bottle'

by W. A. McLennan, M.P.

We are back to the old grind once again. Most of the snow is gone and there is a feeling of spring in the air. On my return I could hardly see my desk for the mail and papers that were piled on it but I am gradually getting it sorted out.

The presentation of the budget for the fiscal year 1959-60 and the debate on its contents will occupy most of the time of the Commons for several days. It is led by some on a 'covert budget.' It has raised the tax on liquor, cigarettes, cigars and the income tax on corporations and individuals, mostly those in the higher income brackets.

The formula for Old Age Security contributions has been changed from the 2-2-2 to the 3-3-3. The new basis calls for 3% of the sales tax which is expected to put the fund in a balanced position rather than one with a deficit. If we are to eventually have a more honest contributory Social Security Plan the fund must be put on a sound financial basis.

It was amusing to hear a local radio commentator tell his listeners "the cost of living has gone up fifteen cents a bottle." There is a certain amount of complaining going on but it appears most Canadians were forecasting or expecting increases in taxes and they are thankful because the increases are small and because, in the case of income tax, the higher rate applies mainly to the top 20% of Canada's earners.

All segments of the public may complain but there isn't much heat in any of the protests, which suggests that most agree Mr. Fleming had to stop the flow of red ink somewhere.

The implementation of a National Hospital Insurance Plan, and, as mentioned before, the

Social Security Program, are two of the main factors making increases necessary.

Whatever the politicians say in public, most of them agree in private the budget is just about what they expected. The Minister of Finance seems to have succeeded in presenting what has been described as the "right blend." He has presented his budget with the twin aims of finishing off the recession by continuing the spending program to provide employment and holding down inflationary pressures by reducing the deficit.

It is encouraging to note the gross national product—value of all goods and services produced—is expected to increase 7%, which is above normal, and there is a considerable improvement in the national economy and a rapid growth in employment opportunities.

Adult polio shots offered

Immunization against Poliomyelitis is being offered to all adults up to age 40, through the Boundary Health Unit with voluntary assistance from the local Kinsmen clubs.

Two injections will be given four weeks apart and the third injection will be given 7 to 10 months later.

The clinics in White Rock for the first two injections are included—please make a note of the dates and time.

No appointments are necessary and there is no charge.

First injection—White Rock Health Centre—E Street and Buena Vista, May 7, at 7 p.m.
Second injection—White Rock Health Centre—Thursday, June 4, at 7 p.m.

Local hardware stores join in bargain week

White Rock Hardware stores will participate in this year's national "Hardware Week" sponsored by the Canadian Retail Hardware Association. This special week promises to be the biggest merchandising campaign ever conceived by the Hardware Industry.

"Hardware Week" is being observed simultaneously throughout both Canada and the U.S. from April 22 to May 2 by almost 25,000 independent hardware retailers. Nearly 2,000 member stores of the Canadian Retail Hardware Association will lead the campaign in Can-

ada. Hardware, housewares, sporting goods and other allied manufacturers, together with wholesalers, all over Canada, are packing these local stores in this "once a year" opportunity week for consumers.

White Rock's stores will offer many specials during "Hardware Week" and retailers invite everyone to "come in and browse around." Get acquainted during this week of bargain offers.

Garden equipment and supplies, the latest power tools, plus a wide assortment of hand tools, hammers and saws are being offered. Bargains in paints, cleaning aids and kitchen gadgets will also be featured.

Mrs. Hodgson to open OES Spring Tea

Members of the White Rock Chapter No. 60 of the Order of the Eastern Star will hold their annual Spring Tea in the Silver Moon Hall, Saturday, April 25, from 2 to 4:30 p.m.

White Rock's first lady, Mrs. Stella Hodgson, will officially open the tea.

General convenors are Mrs. Gordon Dunlop and Mrs. Ernest Durrant. Mrs. Earl Barge, G.R., Mrs. Allan Bennett, W.M., and Mrs. Herbert Tillbrook, A.M. will receive the guests.

Home cooking, plants and a mystery stall will be featured as well as a door prize and the raffling of a footstool.

Obituaries

PHILIP: April 12, 1959. Douglas Campbell Philip of 13011 Marine Drive, White Rock, aged 69 years. Survived by his loving wife; one sister, Mrs. Fay Marsh, Rodondo Beach, California. Deceased was a life member of Prince Rupert Lodge No. 1, A.F. & A.M. Winnipeg. Funeral service today, April 16 at 1:30 p.m. from Chapel Hill Funeral Parlour, Victoria Ave. and E St., White Rock to Capilano Cemetery, Rev. Carlson officiating.

KENT: April 11, 1959. Keith Samuel Kent of 1440 - 130 St., White Rock. Age 52 years. Survived by his loving wife; two sons Lyle and Keith at home; two brothers and two sisters. Remains are being forwarded to Vermilion, Alberta for funeral service and interment Chapel Hill Ltd. Funeral Directors.

Dentists needed clinic feels

Need of additional dentists in White Rock is being keenly felt by the directors of the White Rock Dental Clinic who are faced with two and one half months remaining in the school year with over fifty children, all members of the Clinic, who have not yet had their first appointment.

Mrs. Raymond Young, who has worked tirelessly on behalf of the Clinic, reports the only answer to the problem she can see at the present time is that those children who are unable to be fitted in prior to the end of June will have to be taken care of when the Fall term commences.

Mrs. Young points out the dentists, Dr. W. Paterson and Dr. A. McPherson, feel the problem keenly, and yet they can only take care of a certain number of children in the Thursday mornings they allot to Clinic work.

Donations received for the Clinic already this year are \$75 from the Lions, \$25 from Ray Shepherd PTA and \$50 from Sunnyside PTA.

Many groups in Aux. Country Fair

The far reaching interests of members of the White Rock Hospital Auxiliary will be in evidence at the annual Country Fair when other active groups in the community will be given an opportunity to sponsor stalls.

Groups already indicating their desire to contribute to the fair's success are the members of the Women's Auxiliary to the Army, Navy and Air Force who will sponsor a home cooking booth. The Peace Arch Rebekah Lodge will sponsor a grocery hamper raffle; the Women's Auxiliary to the Canadian Legion Branch No. 8 will sponsor a home cooking and preserves stall while the White Rock branch of the B.C. Women's Institute will sponsor a white elephant and home cooking stall.

In addition the V.O.N. will put on a display. Also contributing to the fair's total receipts will be the St. Andrews and Caledonian Society for the lower Fraser Valley who will make a donation from the proceeds of the showing of the colour films from Mrs. Charles Cowles' projection. Members of the White Rock Lawn Bowling Club will contribute the proceeds from their card party held April 17.

Bowlers raise \$70 for Fair

Members of the White Rock Lawn Bowling Club raised nearly \$70 for the White Rock District Hospital Auxiliary's Country Fair project at their annual Social evening staged at the club house, Friday April 17.

Some 95 members and friends were on hand for the annual affair which featured auction, whist, bingo and refreshments.

Mrs. J. W. Dow, auxiliary president, who with her husband was on hand for the happy occasion thanked the club members on behalf of the Auxiliary for their splendid effort on behalf of the Country Fair.

Club president, Mrs. Alex Craik, announced the total receipts to Mrs. Dow. A cheque will be forwarded to the Auxiliary for this amount.

Club members devote this one evening annually to raising funds for the Auxiliary, rather than to sponsor a stall at the Country Fair.

Third "honeymoon" for the Offers

A third "honeymoon" is to be enjoyed by Mr. and Mrs. William Offer, well-known White Rock residents, as they leave May 1 for a six month visit to Great Britain.

The Offers expect to make the air trip from Vancouver to London in 22 hours. This planned trip marks their third trip to England since their marriage. The last one was enjoyed three years ago.

Mr. Offer marked his 74th milestone on Wednesday, April 22. He celebrated his birthday with family members at Yale, B.C.

SAVE A DOLLAR!

Helena Rubinstein's COLOR-TONE SHAMPOOS

Giant 3⁰⁰ size now 2⁰⁰ limited time only

Leave it to Helena Rubinstein to create a beauty-treatment way of keeping your hair immaculate, healthily conditioned and alive with color! Color-Tone is the only shampoo that washes color in—not a dye but certified temporary color that does magnetic young things to your own hair shade.

Right now you can choose the "custom" tone for you at a big dollar savings. Each Jumbo 14

ounce bottle gives you 4 to 6 months of beautiful shampooing. RED-HEAD adds flame to red hair or "borderline" colors. BLONDE-TONE illuminates blonde or light brown hair with gold. BRUNETTE-TONE adds jet light and warm shimmer. BROWN-TONE washes old-gold into "plain" brown hair. SILVER-TONE silvers grey or platinum, corrects yellow. And for dry, damaged hair, SILK-SHEEN CREAM SHAMPOO.
